lewvillotti@spreregion.org

Citizen Planner:
Kevin G. Smay
ksmay@ccac.edu

Counties in SW Section

Allegheny	Fulton
Armstrong	Greene
Beaver	Huntingdon
Bedford	Indiana
Blair	Somerset
Butler	Washington
Cambria	Westmoreland
Fayette	

NEXT MEETING: Friday December 07 @ 2:30 PM in Slippery Rock Township

Do comprehensive plans matter in SW PA? Are plans being used to guide or motivate community improvement and positive change? Denny Puko with the Governor's Center for Local Government Services will engage participants in out-of-the-box thinking about both the typical process and end product (s) of comprehensive plans. He will challenge participants to identify different approaches, without discarding core values, to create comprehensive plans that are used and have impact.

Location: Slippery Rock Township Municipal Building
155 Branchton Road, Slippery Rock, PA 16057

Directions: I-79 N to Exit 105. Turn left onto State Route 108 toward Slippery Rock. Proceed through town and turn right at Branchton Rd. Follow Branchton Road 0.3 miles to the Township Building (located on the left).

Please RSVP Attendance to PASWsection@planningpa.org

Would you be interested in Carpooling?
If so please email ppaswsection@planningpa.org

2008 Meeting Schedule

- 2008 Dates:
Friday, March 28 2:30 PM— Location TBD

Friday, September 26 2:30 PM— Location TBD

We need your help! Sponsors and presenters are needed for future meetings. If you are interested, please contact Joy Wilhelm, Section Chair.

Help our section by offering to host a meeting!

HOLIDAY SOCIAL— following the Section meeting

Planners and friends! Join us after the Section meeting at the North Country Brewery in Slippery Rock Borough at 4:30 for an evening of good food, festivities, and laughs. North Country Brewing was founded in the belief of "a little earth" - where the breeze in Asia can be felt on the cool waters of Slippery Rock Creek. Proprietor Bobby McCafferty uses select grains and fruits obtained from local sources, as well as the hops imported in from Great Britain, to prepare delicious brews. Their electric is purchased from Green Mountain Energy where it is generated by renewable resources. The North Country Brewery was the first business to partner with Green Mountain to bring 100% renewable energy into commercial application! Please see <http://www.northcountrybrewing.com> for more information.

Please bring your friends and co-workers. Elected officials welcomed!
